

# Community Service Committee

Co-Chairs: Lois Bowman and Lillian Wade

BNA of GWDC has a “distinguished legacy of community service”. In keeping with the philosophy and mission of the NBNA, Dr. Joan E. Smith, Vice President of BNA of GWDC spearheaded the partnership between BNA of GWDC and the DC Food Pantry Program to address food insecurity in school-aged children, particularly middle school. In a very short turnaround time, the chapter collected toiletries and non-perishable items to fill 2 pantries.
